NON-VIOLENCE

Issue No. 22

Term 3 (24 August – 23 October)

Monday, 21 September 2020

Dear Parents, Learners and Friends

Remember to celebrate your heritage on Thursday, 24 September. Our Director has very kindly agreed for the School to close on Friday, 25 September. RPS will be celebrating Heritage Day by selling boerewors rolls outside Leroy Merlin (Boksburg) on Thursday, from 9:00 – 14:00. Please come along to our stand and support our mini-fundraiser.

SGB BY-ELECTION – Tuesday, 29 September @ 18:00

We have two vacancies on the SGB. The three candidates who have been nominated are Yolandi Schoeman, Matthew Bosch and Mark Cocci. Please come and cast your vote in the School hall. All covid regulations will be observed.

ABSENTEEISM AND RE-REGISTRATION

Thank you to all the parents who have done the online re-registration for 2021. Some parents have expressed concern at the number of days their children have been absent. We fully understand that it is not the parents' choice not to bring the children to school. However, our records have to be accurate and we can't mark a child present who is actually absent. High absenteeism figures are reflected on children's attendance statistics countrywide and in no way will impact negatively on your children.

ASSESSMENTS : GRADE 4 – 7

We are currently busy with assessments for Term 3. Parents please ensure that your children attend school diligently as tests can only be written on the due date. Absentees will have to submit a Doctors' note for being sick if a test is missed.

VIRTUAL CROSS COUNTRY AND CYCLE CHALLENGE

We encourage all our boys and girls to get involved with the virtual Cycle Challenge. Download the Strava App or any health app and complete the 5km virtual Cycle Challenge.

Remember you will be keeping fit, having fun and earning points for Rhodes, Stanley or Livingstone.

FOOD FOR THOUGHT

Whatever you are not changing, you are choosing.

*Have a joyous day on Thursday and a relaxing long weekend.
For those who are travelling, please travel safely.*
