### **COLLECTION OF WORKSHEET PACKS – GRADES 1 - 6**

Dear Parents of Rynfield Primary School

“Hope is a renewable option: If you run out of it at the end of the day, you get to start over in the morning.” - Barbara Kingsolver, Novelist

We, the teachers of RPS, are missing our learners tremendously.

We trust that you are all keeping healthy and safe. These are unusual times which require us to isolate and stay apart, yet our teachers have connected with their learners in such creative and innovative ways. Thank you to all our parents for your support and for coming on board to ensure that our learners' academics are not compromised. Together we will continue to journey forward using Google Classroom as one of the main platforms to reach our learners during these challenging times.

On Saturday, 6 June 2020, between 09:30 and 11:00, RPS is having a 'Drive through' on Malherbe Street for ALL grades, 1 to 6.

Each learner will receive a pack containing photocopied worksheets for a total of 2 weeks.

Please note the following points when collecting the packs:

- Only parents may collect packs
- Occupants in the vehicles must wear masks
- No loitering / parking and getting out of vehicles
- Collection points will be staggered along the pavement on both sides of Malherbe Street
- Grades signage will be clearly visible
- Teachers will pass packs through the front passenger window

Please note that teaching will continue on Google Classroom explaining content and completion of the worksheets.

"Every hand that we don't shake must become a phone call that we place. Every embrace that we avoid must become a verbal expression of warmth and concern. Every inch and every foot that we physically place between ourselves and another must become a thought as to how we might be of help to that other, should the need arise." Rabbi Yosef Kanefsky

Parents we, the teachers of RPS, are here for you and together we will strive to ensure that learning takes place.
