REFLECTING ON TERM 2 – THE WINTER TERM

Rugby, Netball and Chess dominate the Winter Term and it is encouraging to see the number of learners excitedly preparing for each practice or match. Our netball is steadily improving and we already have our sights set on next year's league. Three of our rugby teams made it to semi-finals and the 1st Team went on to finals. They finished victorious, beating Laerskool Birchleigh 17 - 14.

Hearty congratulations to Logan Oosthuizen who made the A Valke side for U/13 Craven Week and Christian Sibanda who made the B Valke Side for U/13 Craven Week.

The term started with the awarding of a red blazer to Emily Higgins for swimming – a wonderful accolade. A re-awarding of a red blazer was bestowed on Chelsea van Dyk for athletics – such an honor. We are enormously proud of our recipients of red blazers – congratulations girls. The term ended with a very successful Inter-House Cross-Country. Two great records were broken on the day by Alexis Visser and Chelsea van Dyk.

The other event which dominated the Term 2 Calendar, was the building up of the hall floor. It was a monstrous project, filling up the gaping hole which was the hall floor. However, the end result is a magnificent floor with a proper foundation. A dream come true.

With Controlled Tests under the belt and reports handed out, we are looking forward to the winter holidays.

Heartfelt thanks to the RPS Staff, and parents for your wonderful support of our beautiful School. Then to the heartbeat of RPS, our learners. Boys and girls it is your energy, heart and spirit which keeps our School afloat. Each one of you has a unique role to play at Rynfield and we encourage you to keep on trying your best in all that you do, both in and out of the classroom.

Happy winter holidays – reboot, recharge and refresh.

Mrs L. Cuthbertson
PRINCIPAL

ACADEMICS

SENSES HIKE

Sensory exploration is a child's way of examining, discovering, categorising, and making sense of the world around them. The physical senses include sight, touch, sound, smell and taste. Using the senses aids in building nerve connections in the brain and encourages language and motor development skills. Nature is often the best environment for sensory exploration.

The classes started their hike in the Grade R playground and made their way through the school grounds. They were encouraged to use all their senses while on their walk. They stopped to watch some birds, quietly examined some small animals, investigated the water fountain and asked some intriguing questions about plants and trees. At the halfway mark they stopped for a picnic and discussed what they saw, felt, touched, heard and tasted with their peers.

When arriving back at their classrooms they were encouraged to make a food face with ingredients they brought from home. The learners got to taste the different foods from their creations which definitely ticked their taste buds.

SEA CREATURES COME TO LIFE

"Our task, regarding creativity, is to help children climb their own mountains, as high as possible. No one can do more" ~ Loris Malaguzzi

Our learners are given opportunities to explore different art mediums during creative projects. Their teachers tasked them with making a three-dimensional sea creature of their choice, using recyclable materials.

Using recycled objects to make crafts is a fun way to teach learners about the benefits of recycling. This activity makes children aware of unlimited possibilities when they put their creativity to purposeful use.

Recycled materials inspire imagination by offering children opportunities to explore and create new forms of art, building and design, as well as exercising their strategic thinking skills.

INSECTS YOU'VE NEVER SEEN BEFORE

When a child is asked to create an insect that the world has never seen before, sparks go flying. Their imagination runs wild and their excitement and enthusiasm bursts at the seams.

Prepared speeches help children from an early age to be better communicators. It encourages them to think carefully about what they want to say and express it in an articulate manner. It also entails research and critical thinking skills.

Our learners were able to bring their creations to life with their visual aids, which they showcased during their speech. Through prepared speech children develop self-confidence, leadership qualities, and the ability to overcome fear and anxiety.

We think its safe to say, we are glad that some of these insects do not exist.

HAND HYGIENE

WITH THE DEPARTMENT OF HEALTH

The Department of Health visited Rynfield Primary on 19 June, to do a demonstration on how to effectively wash your hands. The officials explained the basics of hand hygiene to the children and the importance of keeping their hands clean. By keeping our hands clean, we remain healthy and we prevent the spread of germs. They proceeded to do a demonstration on handwashing and then used UV lights to reveal any germs left on the skin. The children then had the opportunity to participate in the exercise by washing their own hands and placing them under the UV lights.

Convincing a child to be cautious of something invisible, like germs, is a tough task. Luckily, by exposing them to hand washing experiments which are also fun and engaging they are able to see, first hand, the importance of hand hygiene.

CHEMISTRY MIXTURES

A mixture experiment involves varying the proportions of two or more ingredients (components of the mixture), and studying the changes that occur in the properties of the resulting end product (responses) .

Our learners studied the response when solids versus liquids were added to a mixture. Once the components were added they discussed the response in a group setting.

Chemistry experiments support the development of a child's resourcefulness, particularly their goal-setting skills, planning, and problem solving. It also nurtures intellectual curiosity, helping children acquire new ways of asking questions and understanding the world.

TOP 20 AWARDS

We had a bumper Top 20 Award assembly in April, which bore testament to the dedication and hard work of both our teachers and learners.

These learners worked extremely hard and were awarded a Top 20 badge for their efforts. This badge represents the top 20 academic achieving learners in each Grade.

SPORT

ST DUNSTAN'S 3-IN-1 WINTER FESTIVAL

On the 23rd and 24th of March, our U/13 netball, rugby and hockey teams played in the St. Dunstan's 3-in-1 Winter Sports Festival.

GO TEAM

The teams braved the cold and put their all into their games. This tournament provided the players with the opportunity to integrate as a team and build on the skills required to play and excel at each sport before the start of the competitive season.

NETBALL

Proudly
Sponsored by

Our senior netball girls shooting for goals all season long.

PINNACLE RYNFIELD DRAPERS CUP

Our netball girls played in the Pinnacle Rynfield Drapers Cup Tournament on the 14th and 15th of April at Pinnacle College. Sport tournaments aid in teaching players important skills and life lessons. Having good coaches is a critical aspect of the process. Our coaches provide support and a safe environment which in turn, encourages learners to grow.

Our girls acquitted themselves extremely well and played with such heart and spirit. The U/10 and U/13 teams made it through to the final rounds of the tournament.

Hearty congratulations to Thabi Makau and Ava Bosch who were chosen as player of the tournament for their respective age groups.

Ava U/11

Thabi U/13

ST DOMINIC'S & ST ANDREW'S NETBALL TOURNAMENT

On the 12th and 13th of May, our senior netball girls played in tournaments at St Dominic's and St Andrew's. The girls played extremely well and thoroughly enjoyed their time on the courts. The more exposure our girls have in playing the game, the more we are able to exercise and highlight valuable skills. Players learn to trust each other and work together which results in successful games. Verbal communication, ball skills and awareness are all skills which are put to use when our teams play competitive games.

ST. DOM'S FESTIVAL RESULTS:

U/10 A & B - Won the tournament

U/11 A & B - Played well

U/12 A - Placed 3rd

U/12 B - Won the tournament

U/13 B - Played well

ST. ANDREW'S FESTIVAL RESULTS:

U/13 A - Placed 9th out of 16 teams

MINI NETBALL

Mini netball allows players to experience the joy of netball as a team sport. Due to mass participation, it encourages as many girls as possible to play netball and create a love of and interest in the game.

The coaches teach the players the basics of the game and the responsibilities attached to each position. If they understand how the different positions work and they have had the opportunity to play in the various positions, they will be better players when they start playing netball competitively in the higher grades.

Well done to the players and their coaches on their wonderful season.

RUGBY

All our teams played with much enthusiasm, heart and spirit throughout the whole of the 2023 rugby season.

Hearty congratulations to our 1st team who finished 1st on the log. They are also the 2023 league winners.

The 2nd team finished 1st on the log. They unfortunately lost in the cup semi-finals.

U/11's finished 4th on the log. They unfortunately lost in the cup semi-finals.

The U/10's finished 5th on the log. They unfortunately did not qualify for cup semi-finals.

The u/9's finished tied 4th on the log, narrowly missing a place in the cup semi-finals.

2023 RUGBY CHAMPIONS

1st TEAM

The 1st team started the 2023 season with great expectation, hype, excitement and a huge amount of hard work. The boys were hungry and ready to make their last season of Primary School rugby a truly memorable one.... And they sure did.

We thank the boys who represented the team this year, turned up to every practice, gave it their all and improved immeasurably throughout the season. They were a fantastic group of boys, who not only believed in each other, but also believed in their own talents. The spirit that the boys managed to maintain throughout the season was inspiring.

Mr McCallum and Mr Peens (1st Team Coaches), who the players look up to as their teacher, the people that shared their skills to the utmost – which in turn allowed the members of the team to learn, grow and ultimately operate to their full potential.

"In order to succeed we must first believe that we can"
– Nikos Kazantzakis

1st Team

Back row: (left) Brody O'Conner, Langa Kobe, Dylan Rademeyer, Trent van der Heever, Ethan Jordaan, Cole Donegan, Logan Skeens, Nhlakanipho Jiyane, Moses Chibowa, Luke Wratten.

Middle row: (left) Gantse Mogoane, Moosa Mohlala, Mr A. Peens (Coach), Tristan Bester (C), Mr J. McCallum (Coach), Logan Oosthuizen, Declan Morton.

Bottom row: (left) Kutlwano Bila, Joshua Wolmarans, Bryce Silverstone, Oliver Higgins, Harm Beens, Travis Birch, Christian Sibanda.

Proudly Sponsored by

VALKIE RUGBY

Valkie rugby is a non-contact form of rugby where a tackle is made by pulling a tag off the belt of the opponent who has the ball. The game is fast and great fun. It helps to build the foundation of rugby so that when the boys are at the age of competitive sports, they have the knowledge and skills to succeed at the game.

EQUESTRIAN

The Rynfield Primary School Equestrian Team have competed in various qualifier rounds of the SANESA Series.

Madison Woods:

2nd Qualifier: 6th in the 60cm show jumping with her horse Joshua's Secret

3rd Qualifier: 3rd in 60cm competition show jumping, 3rd in 60cm speed show jumping classes.

Final Qualifier: 2nd in the 60cm show jumping with her horse Joshua's Secret.

Jaimie Riley:

2nd Qualifier: 1st & 2nd in 90cm accumulator and competition show jumping with her horse Pikachu, 3rd in the 1m show jumping with her horse Harlequin Superstar.

3rd Qualifier: 1st in 90cm show jumping, 1st in 1m show jumping.

Final Qualifier: 1st in both 1m show jumping classes with her horse Pikachu.

Alexis McClaren:

2nd Qualifier: 1st in 1.10m accumulator and competition show jumping with her horse Magic Merlin.

3rd Qualifier: 1st in 1.10m competition show jumping, 1st in 1.10m speed show jumping classes.

Final Qualifier: 1st in both 1.10m show jumping classes with her horse Arthur.

Once again, our RPS Equestrian riders showed that we were the School with heart, putting every effort into achieving the best possible results in Term2. Thank you to Ms Helps for managing the RPS team and to Fulvic Health for their sponsorship.

CHESS

RPS Chess had another successful term. After all the practises with Richard Mbebeza (Olympic Chess participant in Istanbul, Turkey (2012) and FIDE Instructor) and Mrs Gertzen and weekend league fixtures, we are extremely proud of the chess players.

On Saturday, 27 May, the U/9 and U/11 Chess Teams excelled at the league fixture which took place at Laerskool Rynfield

Our U/9's won their league and the U/11's came second in their league.

Special congratulations to Otlotlilwe Ramorula who came third in the Provincial Chess Tournament and has now been chosen to represent Gauteng in the National Tournament. We are enormously proud of you.

Otlotlilwe

U/9 and U/11

RPS MINI NETBALL AND SOCCER TOURNAMENT

Our Grade 1's and 2's were so excited to play against other Schools in the Mini Netball and Mini Soccer Festival held at Rynfield Primary on Friday, 2 June. The Sports Department ran a fantastic Mini-Festival. Well done to the teams and their coaches on playing well in their matches.

Soccer

Netball

INTER-HOUSE CROSS COUNTRY

We had a great Inter-House Cross-Country meeting on Friday, 9 June. Well done to all the boys and girls who made every effort to run. The support and encouragement that was shared during races between runners, and from the teachers and sport coaches was just phenomenal to experience.

The final results were:
Livingstone – 1st Stanley – 2nd Rhodes – 3rd

Two records were broken on the day:
U/8 Alexia Visser and U/12 Chelsea van Dyk. Congratulations to both young ladies.

Our Sports Department organised and set up a successful event. Thanks to the staff who were on duty and the parents for their support of the learners.

ST DUNSTAN'S MINI WINTER FESTIVAL

Our mini netball and soccer teams had a wonderful tournament at St Dunstan's College on Wednesday, 14 June. The tournament was a great way to end off the season for 2023. The season was definitely filled with learning new skills, building connections and fun.

PRESTIGIOUS AWARDS

Colours Assembly on Friday, 21 April

"Self-belief and hard work will always earn you success" – Virat Kohli

Emily Higgins has been an integral part of RPS swimming since she started attending Rynfield Primary. She has been awarded numerous individual and team colours. Emily is currently the reigning Senior Victrix Ludorum Swimmer at RPS.

During the 2021/2022 season, Emily was the top scorer for Soul Swimming Club, EGA Summer Champs Gala top point scorer and the top performer at Level 3 Regional Champs for 2022. Emily made 2 SANJ times at Summer Champs and was also selected for the EGA Xcel Elite group.

In March 2023, Emily competed at Kings Park Stadium (KZN) in the South African National Junior Championships. Here she competed in 6 SANJ races and made finals for 4. She made another 2 SANJ times for next year. Emily competed against some girls almost 3 years older than her, which makes these achievements even more spectacular.

Emily's positive attitude to strive for success and never give up on her goals is truly remarkable. She has dedicated many hours and sacrificed much valuable time to ensure that she reaches her dreams.

It gives us great pleasure to award the most prestigious award that Rynfield Primary can award a swimmer of Emily's calibre – **The Rynfield Primary Red Honours Blazer.**

SWIMMING AWARD
RED BLAZER - Prestigious Award

PRESTIGIOUS AWARDS

Colours Assembly on Friday, 21 April

"Success is no accident. It is hard work, perseverance, learning, studying, sacrifice and most of all, love of what you are doing or learning to do" - Pele

The hard work, the perseverance, the sacrifices, the hours, and most importantly, the love of what Chelsea does, has got her to where she is today.

Her drive and fight that she possess, to be the best at what she does, is clear for all to see. Chelsea is an extremely talented young lady but also knows, that talent alone isn't what gets you to the top.

Chelsea had an extremely successful athletics season, finishing 2nd in the Country at the South African Athletics Championships in the girls U'12 1200m.

With this outstanding achievement, it gives us great pleasure to **re-award** Chelsea van Dyk with the **Rynfield Primary Red Honours Blazer**. Chelsea will have a 2nd black braiding on the cuff of her blazer to represent this prestigious award.

Chelsea is the 3rd RPS learner in the history of the School, that has been re-awarded the Red Blazer. Chelsea, we are in awe and are extremely proud.

ATHLETICS AWARD

RED BLAZER - Prestigious Re-Award

2023 SPORT SPONSORS

Rynfield Primary School

THANK YOU

Heartfelt thanks to the following companies and people, who have generously donated or sponsored items for various sports. Your support of our School is much appreciated.

Vice Captain - Mhlatse Mphahlele
Vice Captain - Tapiwanashe Mushonga

STUDENT LEADERS SHARE THE EASTER SPIRIT

Rynfield Pre-Primary School

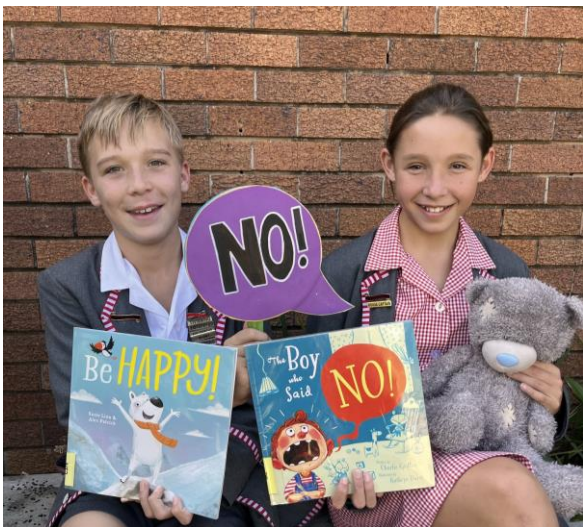

Some of our Student Leaders and our very own 'Easter Bunny' visited Rynfield Pre-Primary School on Tuesday, 18 April.

Our leaders and the little children from RPPS had a fun-filled morning, busting some moves and sharing some Easter eggs. It is wonderful to continue to build our relationship and connection with Pre-Primary.

WORLD BOOK DAY

The Mustard Seed Nursery School

In celebration of World Book Day on 24 April, a group of Student Leaders prepared wonderful stories to read to the sweet, little children at The Mustard Seed Nursery School.

To be able to share inspirational stories with other children is incredibly powerful. Establishing relationships with the community around us is essential in building a better educational foundation for all children.

"A book is a dream that you hold in your hand"
- Neil Gaiman

INTER-HOUSE QUIZ

The learners proved their mettle and class. Two rounds of written quiz questions were prepared for the learners to complete within a set time frame. The learners with the top scores were selected to represent their Houses – Rhodes, Livingstone and Stanley.

We held the Grade 7 Inter-House Quiz on Wednesday, 26 April. The learners not only gained knowledge, but also enjoyed answering the various questions that were compiled for them. Congratulations to all three teams for their excellent participation.

The results of the Inter-House Quiz were as follows:

Rhodes - 1st Stanley - 2nd Livingstone - 3rd

INTER-SCHOOLS QUIZ

The learners who were selected to represent their houses in the Inter-House Quiz event underwent further eliminations to select the top 4 learners which formed the 2023 RPS Quiz Team.

The RPS Quiz team competed in the Inter-Schools Quiz at Arbor Primary on Wednesday, 24 May. We placed 3rd among the competition who took part at the event.

Congratulations to Joshua Wolmarans, Luke Moolman, Lethabo Ngwenya and Eva Roodt for representing RPS at the event.

**"The truth is that
teamwork is at the
heart of great
achievement"**

- John C. Maxwell

QUIZ

INTER-SCHOOLS SPEECH EVENING

Brody O'Connor represented Rynfield Primary School at the Inter-Schools Speech evening on Thursday, 18 May at Arbor Primary School.

It takes a great deal of courage to stand up and speak or deliver a speech in front of an audience. Brody participated against 6 other schools and delivered a thought-provoking speech.

**“Speech is power:
speech is to
persuade, to
convert, to compel”**

- Ralph Waldo Emerson

RPS SUPPORTS SLIPPER DAY

RPS STEPPED UP TO SUPPORT SLIPPER DAY

We celebrated Slipper day on Friday, 12 May . Slipper Day acknowledges the Reach for a Dream Foundation. They are an NPO who help kids fighting life-threatening illnesses reach their dreams.

Thank you to all the parents who so generously supported Slipper Day. We are pleased to say that RPS was able to hand over a substantial donation.

BOOK COLLECTION DRIVE

The Almond Tree, School of Promise

Our School had a children's book collection drive in support of World Book Day, which was on Monday, 24 April. The books were donated to The Almond Tree, School of Promise to help them build up their resource centre and have the opportunity to explore the wonderful world of books.

We know that these additional resources will inspire and enrich the precious children at the School of Promise. Rynfield Primary is enormously grateful to our RPS community for their support.

SPECIAL EVENTS

SHARING THE HEART OF RPS

22 April 2023

Each year the Rynfield Primary family grows in every dynamic. We held a special School information morning for the parents of Rynfield Pre-Primary School, a School with whom we have always had an excellent relationship. We were able to share the heart of RPS, expand on our School's vision and values, and provide the parents with private tours around our beautiful grounds.

It was an extremely successful morning. We look forward, in great anticipation, to all the new Rynfielders who will be joining us in 2024.

JUNIOR SPORTS DAY

26 April 2023

On Wednesday, 26 April, we held the Annual RPS Junior Sports Day. It was wonderful seeing all our little ones actively engaging in the various fun activities. Rynfield Pre-Primary's Grade R's were invited to join in the Sports Day and they too had great fun.

Mrs Ströh (Foundation Phase DH) and the Sports Department organized and planned the exciting day. The stations had specific activities which required gross and fine motor muscle use. Team work and much encouragement made for a fun and successful experience at each station.

Thank you to all the parents and family members who were able to support their children.

HALL FLOOR PROJECT

12 May 2023

Our hall floor was in desperate need of replacing. It started with the “big hole of Kimberley” and three weeks later we had a solid floor in the School Hall. Several years ago we realised the hall floor was a problem that wasn’t going to go away. In the words of Nelson Mandela, “It always seems impossible, until it is done.” Well, the removal of the hall floor and being able to fill the gaping hole just seemed more and more impossible until we took that first step on Friday, 12 May, just after 9 o’clock. This is truly a dream come true. The project is estimated to take approximately 2½ months to complete.

Our thanks to the SGB for approving the expenditure, Mr Bloem, Oom Vic and Mrs Sequeira for driving the project and our contractor Mr Roos for doing a great job.

The concrete layer of the floor has to dry for about two to three weeks and then we will move on to the last phase. We can’t wait to have our first assembly in the hall again.

VALKIE RUGBY DAY

27 May 2023

We hosted an extremely successful Valkie Rugby Day on Saturday, 27 May. Our Grade 1 and 2 boys and girls played with enormous heart and spirit and did exceptionally well in all their games. It was wonderful to have the various School teams and their supporters at RPS. To our Sports Department, Staff and parents who assisted on the day, heartfelt thanks.

Appreciation to Carla Walsh, Maurice Fisher, Pauline Koekemoer and the Moutafis family for supporting and sponsoring the event.

Special thanks to the dads who coach the teams and the moms who do the administrative tasks. Most importantly a huge bouquet of thanks to all the Valkie parents for your fantastic support of the children.

GRADE R PLAYGROUND REVAMP

8 June 2023

Our Grade R playground recently had a much needed face-lift in preparation for our Foundation Phase District Visit. Mrs Morton rallied a group of 4 Grade R moms, who took on the project. They donated the paint and had new road signs made.

Mr Bloem kept checking in on the project and made sure everyone was doing what was required in order to give our Grade R's a wonderful, engaging play area. Oom Vic and his team removed the sandpit and installed the Astro, which was donated by Craig Van Dyk. They also installed the road signs. We now have 4 clam shells filled with new, clean sand for the children to play in

It was a real team effort. Thank you to Mrs Dry, Mrs Stafford, Mrs Barnes and Mrs Schonken for your kindness, time and effort to work with us in ensuring that our learners have a inspiring play area.

ANNUAL

DONKEY DERBY

FUNDRAISING EVENT

Date: Friday, 11 August 2023
