# FROM THE PRINCIPAL'S DESK

**“Success is the sum of small efforts, repeated day in and day out.”**

It is with great privilege for me to write the Principal's note as the acting Principal of Rynfield Primary. This school term has been a busy, but successful one, marked by great achievements across academics, sports, and cultural activities.

In the area of sports, this term has seen great performances by our athletes and swimmers. RPS placed 2<sup>nd</sup> overall at the Inter-Primary Athletics against other strong schools. Another highlight includes a consecutive win from our 'A' Swim Team, who have been the Ekurhuleni champions since 2018. From friendly meets to main, competitive events, our athletes and swimmers have showcased their skills, teamwork, and determination. Our coaches and teachers have been instrumental in nurturing the talents of each learner, fostering an environment of sportsmanship and camaraderie.

Behind every success, the support of our school staff and parents always play a crucial role. The strong partnership between home and school has been key to the overall success of our school. Together, we will continue to create a nurturing environment where students can thrive both academically and personally.

Even though our school had a successful term, we also suffered a heartbreaking loss of a Grade 1 learner. We would like to extend our support and strength to the parents of Lubanzi Nhlapo. It is also with a very grateful heart that I thank the RPS community for their support of his family during a very difficult time.

As the term comes to a close, it is clear that the collective effort of the RPS community is a true strength all on its own. With such a strong foundation at our school, I look forward to the upcoming term, which I am sure will be as bright as the first one of 2025.

# 2025 SCHOOL THEME

## BETTER TOGETHER

Better Together means that our interactions with one another can create something greater than ourselves. When we come together to share ideas and listen to each other's thoughts we are creating strength in our culture.

Our hope for this academic year is that whatever the goal, we can all benefit from the strength and support of the various people around us.

"Better together" expresses the idea that collaboration, unity, or partnership enhances outcomes and creates greater value than individual efforts alone.

It highlights the strength found in working as a team, where each person's unique skills, perspectives, and contributions combine to achieve something more meaningful or impactful. Whether in relationships, work, or communities, the phrase underscores the importance of connection and cooperation in reaching shared goals.

This year, may RPS pursue big goals, enjoy effective collaboration, solve interesting problems, and achieve great outcomes!

# IN LOVING MEMORY OF

## LUBANZI NHLAPO

*February 20, 2018 - March 10, 2025*

We are deeply saddened by the tragic passing of one of our Grade One learners, Lubanzi, who was taken from us too soon. Our thoughts and prayers are with his family during this incredibly difficult time. Lubanzi will remain in our hearts and will always be part of our Rynfield family. Let us stand together in strength, love and compassion, holding close the memory and life of little Lubanzi.

*May Lubanzi's young soul rest in  
peace.*

## VOX: What will you miss most about Pre-School now that you're in Grade One?

*Dressed in crisp new school uniforms, some Grade One learners of Rynfield Primary tell us what they will miss most about their pre-school days.*

*- Written by Jani de Beer*

**Khloe Phillips:** "The fireman pole and monkey bars were the best. I am going to miss the jungle gym at the pre-primary. I don't know if primary school will be so much fun."

**Godirayaone Setshedi:** "The pre-school playground was the best. My friends and I would run around playing tag all the time."

**Harper Mendeny:** "I hope we are going to draw and paint as much as we did in Grade R. I don't think writing and reading can be that much fun."

**Dreydan Govender:** "I will miss my teacher the most. She always took such good care of us and allowed me to stay in class during break to enjoy some quiet time."

**Willow Reinhold:** "I am really going to miss playing on the swings with my friends. I hope we get time to play now that we are in big school."

# INTER-PRIMARY ATHLETICS

RPS hosted the 2025 Inter-Primary Athletics Meeting for the Benoni Schools on the 11<sup>th</sup> and 13<sup>th</sup> of January. It was the first major Benoni schools athletics event that consisted of six competing schools, since COVID-19.

The event marks a wonderful celebration of talent, determination, and sportsmanship, and we were thrilled to see so many enthusiastic participants gathered on the day. We gather not only to celebrate the spirit of healthy competition but also to encourage teamwork, perseverance, and the pursuit of excellence.

It is with great satisfaction that once again Rynfield Primary hosted a successful event. Our athletics team competed exceptionally well, securing a second place finish. It was wonderful to see the heart, spirit and determination with which our athletes competed. Well done boys and girls, we are so proud of you.

This success is a result of many hours and effort dedicated by the athletes as well as the sports coaches leading up to the competitive season.

# INTER-PRIMARY SWIMMING GALA

## ‘A’ LEAGUE

The ‘A’ team competed at the Inter-Primary ‘A’ league swimming gala on Wednesday, 12 March. Our swimmers put on a star-studded performance at the Boksburg North Swimming Pool. RPS swam against St Dunstons College, St Dominics, Ashton College, Ridgewood College, Farrarmere Primary, Christian Boys College and Dalview Primary.

Our A team, once again, finished victorious.

The RPS A TEAM have held the individual league gala title since 2018.

This is such an impressive accomplishment.

One thing is for sure - our swimmers swim with all their hearts. Well done and thank you to Donny and Lynne Semple, Mrs Gosling and her team of coaches as well as our awesome swimming parents.

It truly is an

# STUDENT LEADER CAMP

The 2025 Student Leaders went to EDU Camp on 7 March for their leadership camp.

They spent their weekend taking part in group activities and games which are designed to help develop leadership skills and enable them to be more effective in their roles. They exercised their time management and problem solving skills while being challenged to complete specific goals.

Overall, it was a fun-filled three days that were packed with many learning experiences and opportunities for personal growth.

# ANTI-BULLYING

## BE A BUDDY NOT A BULLY

The Anti-bullying awareness talk was presented by the SAPS.

Creating an anti-bullying awareness is crucial as it helps foster a safe and supportive environment for young learners. These initiatives teach children the importance of kindness, respect, and empathy, which are essential values for building healthy relationships.

By addressing bullying early on, our hope is that we can prevent long-term emotional and psychological effects, ensuring that all students feel safe to express themselves and thrive academically and socially. This also contributes to a strong and positive school culture.

# RECYCLING CAMPAIGN

## Pick 'n Pay

“

The Grade 4 learners' faces lit up with excitement as they received their Pick n Pay pencil cases – each one crafted from a recycled 500ml PET plastic bottle!

Handing out these pencil cases provided an opportunity to talk to the learners about the importance of recycling and protecting our planet for future generations.

Here's to a year filled with curiosity, creativity and making a difference – one small action at a time!

# HOOKED ON BOOKS

Hooked on Books is a dynamic Children's Educational Theatre company that travels to schools across South Africa. They specialise in creating a love of reading from an early age.

They put on such an exciting show filled with humour, song and dance, colourful characters, drama and adventure. Some learners even got the chance to participate in the storytelling.
