Term 3 (22 JULY – 3 OCTOBER)

Dear Parents, Learners and Friends

We had a great day on Friday for Book Character Dress up Day. What a wonderful celebration of reading at our School. Thank you to the learners and staff for their participation and effort to dress up. Extended thanks to our parents for their support and assistance in their efforts to encourage their children to celebrate this day.

Congratulations and good luck to Alexia Visser and Cade Wilke on qualifying to compete at Gauteng Champs for cross country this coming weekend. We wish you both every success!

A reminder, to learners and parents, the collection of plastic bottle tops/lids is an ongoing drive. RPS is supporting the 'Listen to your Heart' initiative by Clean Projects and has installed two collection hearts on the school grounds. 500kg of plastic bottle caps is able to provide a wheelchair to someone in need. Thank you to all those families who contribute on a regular basis, whilst making a difference to our planet, by reducing waste.

SCHOOL PHOTOGRAPHS - CATCH UP DAY

The catch up day for learners who were absent for their photos will be **Wednesday, 27 August**. Please email your oldest child's class teacher if you would like to request a sibling photo. Please ensure that learners are dressed in full Winter school uniform and are neat and tidy.

SUMMER UNIFORM

Learners are able to wear Summer uniform from this week. We will have a two week change-over period where children can wear either Winter or Summer uniform – the weather is still quite unpredictable. The official date for all children to be in Summer uniform is Monday, 8 September.

The only request, please parents, is that the children don't wear a combination of Summer and Winter uniform during the change-over period. No further concessions will be allowed - Phys Ed tracksuits are now only allowed to be worn on your child's allocated Phys Ed day.

Our children need to be smartly dressed and presentable on a daily basis. Parents, please, let's work together to continue to uphold RPS standards.
